Professional Summary

Aspiring Software Engineer with strong knowledge of Full-Stack Development, Machine Learning, Generative AI, Data Structures and Algorithms, DBMS, REST API Development, and Web Technologies. Passionate about building scalable software solutions and solving real-world problems.

Technical Skills

Languages: C, C++, Java, Python, JavaScript

Web Technologies: HTML, CSS, JavaScript, React.js, Node.js, Express.js, PHP

Databases: MySQL, MongoDB, Oracle

Core Concepts: Data Structures, Algorithms, Object-Oriented Programming, DBMS, Operating Systems

Tools: Git, GitHub, VS Code, Postman

AI & Technologies: REST APIs, Machine Learning, NLP, Generative AI

Education

Course	Institute Name	University / Board	Year	Score Details
B.Tech CSE	SKN Sinhgad College of Engineering, Korti, Pandharpur	Punyashlok Ahilyadevi Holkar Solapur University, Solapur	Pursuing	Currently Pursuing
Diploma	SVERI College of Engineering, Pandharpur	Maharashtra State Board of Technical Education	2024	First Year: 82%; Second Year: 85%; Third Year: 89.80%
SSC (10th)	Matoshri School	Maharashtra State Board	2021	85.80%

Certifications

- NPTEL Certification in Database Management System

Projects

Generative AI-Based Intelligent Automation Testing System *React.js, Node.js, Express.js, MongoDB, Generative AI*

- Developed a full-stack AI-powered testing platform using React.js, Node.js, Express.js, and MongoDB.
- Automated test case generation using Generative AI, NLP, Machine Learning, ambiguity detection, test prioritization, and automation script generation.
- Built secure REST APIs with authentication and scalable backend architecture.

Full-Stack Blogging Web Application Using MERN Stack *React.js, Node.js, Express.js, MongoDB*

- Developed a responsive blogging platform using React.js, Node.js, Express.js, and MongoDB.
- Implemented authentication, CRUD operations, REST APIs, search/filter functionality, and responsive UI.
- Optimized application performance and scalable content management features.

Optical Shop Management System (Android Application) *Android Studio, Java, Database*

- Developed an Android application for customer management, inventory tracking, billing, and prescription records.
- Improved operational efficiency through digital record management and automation.

Hobbies

Programming, Playing Cricket, Reading Books

Personal Information

Languages Known: English, Marathi, Hindi **Date of Birth:** 07 October 2005
